PRODUCT OVERVIEW

Fabricated from triple chrome plated rust-resistant Zamak and specifically designed with slats for a drain. One stainless steel slotted headless set screw is provided along perimeter of flange for anchoring to stainless steel wall bracket. Wall anchor also provided. Wall bracket is surface mounted using two # 8 pan head screws (supplied) through holes provided. Soap dish is mounted over top leg of bracket and secured by set screw from underside.

KEY FEATURES & SPECIFICATIONS

- Chrome Plated Zamak
- Surface Mounted

OPERATION & MAINTENANCE

Washroom accessory products require regular surface cleaning, much the same as stainless steel sinks, pots and pans, and eating utensils. As long as a regular cleaning schedule is followed, the best method is cleaning with a soft clean rag moistened with a mild detergent, followed by a water-moistened clean rag and then a dry rag.
