PRODUCT OVERVIEW

Fabricated of triple chrome plated corrosion resistant steel. One stainless steel slotted headless socket set screw provided on bottom perimeter of flange for anchoring to stainless steel wall bracket. Mounting hardware also provided. Typical mounting suggestion is 52" [1676] AFF.

KEY FEATURES & SPECIFICATIONS

- Chrome Plated Zamac
- Surface Mounted

OPERATION & MAINTENANCE

Washroom accessory products require regular surface cleaning, much the same as stainless steel sinks, pots and pans, and eating utensils. As long as a regular cleaning schedule is followed, the best method is cleaning with a soft clean rag moistened with a mild detergent, followed by a water-moistened clean rag and then a dry rag.
