Dimensions	1-31/64" x 1-9/64" x 3-1/32" Projection [38 x 29 x 77]
Construction	ABS Plastic
Mounting	Replacement Part
Options	N/A

INSTALLATION

Unit is a replacement for the standard valve supplied with soap dispensers and is a direct replacement for soap dispensers originally equipped with a low profile valve. Lubricate O-ring seal with a slight amount of soap before screwing valve body into existing tank. Tighten valve using wrench flats on valve body until mild resistance is felt and valve spout points down.

WARRANTY

One (1) Year from date of invoice
